What Can We Offer For You?

IAESTE FOR STUDENTS

High-quality Professional Development

Our paid on-site internships offer the chance to live and work in a foreign country, gain valuable professional experience, enhance your CV, form new friendships and broaden your horizons. Practical experience is gained in real work environments, where you solve business challenges while meeting business needs and developing your own skillset.

IAESTE FOR COMPANIES

Access to Global Talent

We help companies across the world to attract and retain international talent by leveraging our network of STEM students from 80+ countries. Our goal is to make it as simple as possible to hire the most suitable talents from around the world. Our students are ready to bring unique skills and experience to the companies we work with, as well as an international dimension and bags of enthusiasm.

IAESTE FOR UNIVERSITIES

International Exposure and Knowledge Transfer

We complement students' theoretical education with practical internships to enhance their skills. By promoting international exchange and understanding, we support universities' internationalisation strategies and create a network of academic institutions across 80+ countries to strengthen learning and knowledge transfer.
